- Riverside Insights®, along with the Archdiocese of New York, the Diocese of Brooklyn/Queens, and the Diocese of Rockville Centre (Long Island), does not encourage or endorse programs that coach/tutor students for the TACHS. The TACHS is a highly secure exam; therefore, programs that claim to have copies of the test are likely to be invalid. Doing well on tutoring practice tests does not guarantee the student will perform as well on the actual TACHS exam; test results of students who participate in these programs frequently offer distorted profiles of students' abilities. Students who do well in elementary school can expect to do well on the TACHS. Sample questions and more information regarding the content of the exam can be found toward the end of this Student Handbook. This Student Handbook can be accessed at [www.tachsinfo.com](http://www.tachsinfo.com).

- Riverside Insights®, junto con la Arquidiócesis de Nueva York, la Diócesis de Brooklyn/Queens y la Diócesis de Rockville Center (Long Island) no alentar o respaldar programas que entrenan/dan tutoría a los estudiantes para el TACHS. El TACHS es un examen seguro, por lo tanto, los programas que afirman tener copias de la prueba probablemente no sean válidos. Tener un buen desempeño en las pruebas de práctica de tutoría no garantiza que el estudiante se desempeñe tan bien en el examen TACHS real; Los resultados de las pruebas de los estudiantes que participan en estos programas ofrecen con frecuencia perfiles distorsionados de las habilidades de los estudiantes. Los estudiantes que obtienen buenos resultados en la escuela primaria pueden esperar que les vaya bien en el TACHS. Puede encontrar ejemplos de preguntas y más información sobre el contenido del examen hacia el final del Manual del estudiante que se encuentra en [www.tachsinfo.com](http://www.tachsinfo.com).

## **FACTS ABOUT THE TACHS**

The *Test for Admission into Catholic High Schools* (TACHS) will test eighth grade students who are interested in attending a Catholic high school beginning in September 2025. In order to be admitted into Catholic high schools, students must take an admissions examination in November 2024. The results from that examination, along with school records and other information, are then sent to the high school principals to assist them in making admission decisions. Each student's information will be sent to three high schools of his/her choice. Results also will be sent to the Catholic elementary schools within the Archdiocese of New York, the Diocese of Brooklyn/Queens, or the Diocese of Rockville Centre (Long Island).

### ***ACADEMIC SKILLS TESTED***

The TACHS measures academic achievement in reading, written expression, and mathematics, along with general reasoning skills. The test has been developed with the advice and approval of diocesan representatives.

### ***EXAMINATION FEE***

A nonrefundable examination fee of \$71.00 will include this online Student Handbook, online test materials, and the reporting of scores to three high schools of a student's choice. Duplicate registrations may result in a processing fee.

### ***TEST CANDIDATES***

**The TACHS is for current eighth grade students only. Students wishing to apply to a Catholic high school for a grade other than the ninth grade should apply directly to that high school.** A student may take the TACHS examination only once.

### ***PARENT/GUARDIAN REPORTS***

A Home Report can be accessed online at [www.tachsinfo.com](http://www.tachsinfo.com) after 5:00 PM EST on January 24, 2025. We cannot provide your results earlier. You will be provided with the student's Local and National percentile ranks as reported to your High School choices. Further instruction on how to access your home reports will be provided in early January on [www.tachsinfo.com](http://www.tachsinfo.com). **All TACHS test results are final. No reviewing, rescoring, or retesting will be done.**

### ***SPECIAL TEST ACCOMMODATIONS FOR STUDENTS***

The only accommodation allowed will be extended testing time (time and a half). An Eligibility Form and further instructions for students needing extended testing time are located on page 5 of this handbook.

If a student is not approved for extended testing time, the student may choose to take the exam without extended time or request a full refund of the \$71 examination fee. Refund requests for these students must be received by October 30, 2024, at 5:00 PM EST.

## TEST SESSIONS

- This year there will be online test sessions rather than in-person test sites.
- Students will test on the day assigned to their aligned diocese.
- Students will be assigned randomly to a test time of either 8:30 AM or 10:00 AM on their test date. No time preferences can be accepted. All students with extended testing time will test at 8:30 AM on their assigned test date.
- There will not be admit cards.
- On November 6, 2024, after 1:00 PM EST, you should receive an email with your test session code, date, and time. If you do not receive this email on November 6, 2024, you may find this information on [www.tachsinfo.com](http://www.tachsinfo.com) using the “Find my test session code/date/times” link. Locate this information no later than November 7, 2024, if you are testing on November 8, 2024, and no later than November 8, 2024, if you are testing on November 9, 2024.
- Enter your TACHS ID and the email address you provided at the time of registration to access your information.
- You will not be able to “enter” your test if you do not have this code.
- Please read all data system and device requirements and complete the Proctorio set-up and required installation at least 1 day prior to testing. These directions can be found through the “Proctorio Set-up and Installation Guide” link on the [www.tachsinfo.com](http://www.tachsinfo.com) homepage and in this Student Handbook.
- If you are ill or have extenuating circumstances on the day of testing, you will be assigned to a make-up session. Revisit the “Find my test session code/date/times” link November 8, 2023, for your new test session code, date, and time. Your original test session code will not work for the make-up exam.
- If you experienced technical issues and/or potential lost time during the exam, you submitted a query request, and were approved for the make-up exam, your test session date and time and code will be posted on [www.tachsinfo.com](http://www.tachsinfo.com) on November 20, 2024.
- If at any time you are not able to access your test session code, call 1-866-618-2247 for assistance.

## **APPLICANT RECORDS**

### ***FOR STUDENTS ATTENDING A CATHOLIC ELEMENTARY SCHOOL IN THE ARCHDIOCESE OF NEW YORK, THE DIOCESE OF BROOKLYN/QUEENS, OR THE DIOCESE OF ROCKVILLE CENTRE (LONG ISLAND)***

Your TACHS Applicant Record is available to your elementary school via the Internet once you have registered for the exam. The last day to complete the Applicant Record online will be December 10, 2024, at 5:00 PM EST. Your principal, elementary school teacher, or counselor must complete the TACHS Applicant Record. Beginning December 11, your three Catholic high school choices will be able to access your completed Applicant Record via the Internet.

### ***FOR STUDENTS ATTENDING A PUBLIC, PRIVATE, OR NON-DIOCESAN SCHOOL***

Parents are requested to complete Section A of the TACHS Applicant Record found on page 12 of this handbook before submitting it to the student's eighth grade teacher, counselor, or principal, who will complete the remaining three sections. It can be photocopied as needed. An editable form may also be downloaded by clicking on the "Applicant Record information for Public School Students" link within the "Post-Test Follow-up" tab at the top of the [www.tachsinfo.com](http://www.tachsinfo.com) homepage. Upon completion, a school official will make three copies of the form and mail them to the high schools indicated. This form must be received by the designated high schools by December 11, 2024. Failure to return this form to the high schools may prevent you from being considered for admission into the high schools to which you are applying.

#### **To assist the admissions process, it is important that high schools receive**

- the final grades pertaining to Grade 6 and Grade 7,
- the first quarter or trimester grades for Grade 8,
- standardized testing results (if taken), and
- conduct, effort, and attendance records.

**NOTE TO PARENTS/GUARDIANS:** By registering for the TACHS Examination, you consent to the release of your child's student records.

If additional information is needed about a student for any of the schools, you may call the high schools directly. (See Open House Information beginning on page 16 of this handbook.)

**DO NOT return the Applicant Record to the TACHS Exam Office. Ask a school official to send it to your child's three high school choices.**

## **SCHOLARSHIP AND FINANCIAL AID**

Scholarship and financial aid decisions are made by each individual high school. Questions regarding scholarships and financial aid should be directed to the high schools. The Archdiocese of New York, the Diocese of Brooklyn/Queens, the Diocese of Rockville Centre (Long Island), and Riverside Insights have no information regarding these school decisions.

## CONTENT OF THE TACHS EXAMINATION

The *Test for Admission into Catholic High Schools* contains subtests measuring both achievement and ability. The tests, with brief descriptions, are as follows:

### **READING**

In the Reading test, students will be presented with a variety of materials, both informational and literary. The questions will measure students' ability to answer questions in factual, interpretative, and evaluative comprehension. They may have to answer questions about main ideas, author's purpose, the meaning of a word in context, and other types of comprehension questions.

### **WRITTEN EXPRESSION**

This is a test about writing in Standard English. Some of the questions focus on the most appropriate way to express the ideas in a piece of writing. Questions may address organization, sentence structure, clarity, and effectiveness or appropriateness of expression. Other questions ask students to identify the line of text that contains an error.

### **MATHEMATICS**

Questions on the Mathematics test are drawn from the areas of number sense and operations, algebraic patterns and connections, data analysis/probability/statistics, geometry, and measurement.

### **ABILITY**

This test measures students' learned reasoning abilities. Although grounded in biological processes, these abilities are developed through in-school and out-of-school experiences. The questions assess students' abilities to reason with somewhat more novel questions that use spatial and figural content. The questions show how well students use their reasoning skills to solve problems they may or may not have been taught directly.

## TIPS ON TAKING THE TEST

### **PREPARING FOR THE TEST**

- Skills such as pacing and strategic answering can help you become a better test taker.

**Pacing.** Pacing yourself appropriately on timed tests can improve your chances of success. Every student's goal is to give correct answers to as many questions as possible within the allotted time, but since there is rarely time for long deliberations, you may need to identify—and temporarily set aside—questions that threaten to use up too much of your time.

**Answering Strategically.** For each question on the test, you should think about the answer choices and decide which one would make the most sense. There may be some questions that you will not know how to answer. Take a little time and try to answer these questions.

Begin by evaluating the answer choices provided. In many cases, you can reject one or more answer choices as unlikely. Any remaining choices will, therefore, be the more probable answers. You should look at these answer choices to find the one you think makes the most sense. If **none** of the answers seems right, it is best to take an educated guess. You will not be penalized for incorrect answers and will get credit only for correct answers.

- **Sample Test Questions:** Be sure to answer the practice questions in this handbook in order to understand the types of questions that will appear on the test.

### ***BEFORE THE TEST***

- Enter your three high school choices on [www.tachsinfo.com](http://www.tachsinfo.com) on or before November 9, 2024, at 11:59 PM EST.
- Read the system and device requirements for online, at-home remote testing found on page 6 of this Student Handbook.
- On November 6, 2024, after 1:00 PM EST, you will receive an email with your test session date/time/code. If you do not receive this email by the evening of November 6, 2024, you may find this information on [www.tachsinfo.com](http://www.tachsinfo.com). Make sure you access your information on or before November 8. If you do not have your session code, you will not be able to enter your test.
- Read the Proctorio Set-up and Installation Guide found on pages 7 through 10 of this Student Handbook. Complete the necessary Proctorio set-up and installation at least 1 day prior to the exam. Attempting to complete the installation just prior to your testing time may hinder your timely entrance into the test session.

### ***DURING THE TEST***

- During the reading of the directions, make sure to read and/or listen carefully.
- Make sure you understand the directions before starting the test.
- Try not to spend too much time on any one question. If you complete a subtest before the time is up, go back to any question that you did not answer.
- Answer all questions that you can by looking for the answer choice that makes the most sense.
- If you have extra time, go back and check your answers. After you submit your answers for a subtest, you may not go back to it.

### ***AFTER THE TEST***

- If you miss the test due to illness or technical issues, revisit [www.tachsinfo.com](http://www.tachsinfo.com) November 13–14, 2024, for your new test session date, time, and code for the make-up exam. Your original test session code will not work.
- If you experienced technical issues and/or potential lost time during the exam, you submitted a query request, and were approved for the make-up exam, your test session date and time and code will be posted on [www.tachsinfo.com](http://www.tachsinfo.com) on November 20, 2024.
- You must be registered by October 30, 2024, to be eligible for the make-up exam.
- Your scores will be provided to your three high school choices on or before December 9, 2024.
- You may access your Home Report after 5:00 PM EST on January 24, 2025, on [www.tachsinfo.com](http://www.tachsinfo.com).
- If you are a public school student, make sure your Applicant Record is completed and submitted to your three High School choices no later than December 11, 2024.

# Sample Test Questions

## Directions

This is a test of how well you understand what you read.

- Read the passage below and then answer the questions.
- Four answers are given for each question. You are to choose the answer that you think is better than the others.

Chester Greenwood was just a teenager when he made his mark on the world by inventing Greenwood's Champion Ear Protectors. We know his invention better by its less formal name—earmuffs.

Chester grew up in Maine, a state known for its bitter winters. As a youngster, he suffered more than once from frostbitten ears. Wool scarves made his injured ears itch, so he decided to make a covering of fur.

He cut out furry patches that would cover the ear and asked his grandmother to sew them over wire frames. After experimenting with several designs, Chester found a way to attach these furry pads to a springy metal band, which fit snugly over the top of the head. Thus the earmuff was born.

In 1877, when Chester was nineteen, he patented his invention. Soon the demand for Greenwood's Champion Ear Protectors had become so great that a factory was opened, and Chester's hometown of Farmington became famous as the earmuff capital of the world.

### 1 Why did Chester first try to make earmuffs?

- A He needed money.
- B His ears were cold.
- C His mother asked him for help.
- D His father sold earmuffs in his store.

### 2 What was the purpose of the springy metal band?

- J To protect the head
- K To make the earmuffs attractive
- L To hold the earmuffs in place
- M To make the earmuffs last longer

### 3 Who helped Chester with his invention?

- A No one
- B His sister
- C His father
- D His grandmother

### 4 Which of these sayings is best illustrated by this passage?

- J Haste makes waste.
- K A stitch in time saves nine.
- L Opportunity only knocks once.
- M Necessity is the mother of invention.

## Directions

This is a test about writing in Standard English. The first part of the test has pieces of writing followed by questions about changing the writing.

The second part of the test has short pieces of writing. The writing **may** have a mistake in the way words or sentences are used.

<sup>1</sup>Last summer Shawn and I maked homemade ice cream. <sup>2</sup>It was vanilla with chunks of peaches.

**1** What is the best way to write the underlined part of sentence 1?

- A making                      C made  
B makes                        D (No change)

**2** Choose the best last sentence to add to this story.

K We each ate a scoop.  
L Shawn plays a lot of soccer.  
M There is a peach tree in Grandma's yard.

### Ability

#### Figure Matrices

- 1 B (The figures in each matrix follow rules. One rule describes how the figures in every **row** are related. Another rule describes how the figures in every **column** are related. Look at the first and second rows. How are the figures in each row related? In this matrix, the rule for every row is to **add a triangle to the previous figure, moving in a clockwise direction.**

There is a different rule for the columns. Look at the first two columns. The rule is to **add a triangle, moving in a counterclockwise direction.** Which figure completes the puzzle? Using either the rule for the rows or the rule for the columns, the missing shape is **B, a five-sided figure with five triangles.**)

- 2 L (What rule describes how the figures in each row are related? **The first figure in each row can be created by combining the second and third figures.**

What is the missing figure? The missing figure must be a large square with diagonal stripes. You can get the answer using either the rule that the figures in each row follow or the rule that the figures in each column follow.)

## Paper Folding

- 3 A (The arrow shows that the paper is folded down. Since the paper is folded in half, the holes are punched through two layers. That means there will be four holes when the paper is unfolded. The holes are punched near the fold, so all of the holes will be near the center of the paper.)
- 4 K (The paper is folded in half, creating two layers of paper. Then it is folded in half again, creating four layers. A hole is punched in the paper. When the paper is unfolded there will be four holes.)

## Figure Classification

- 5 A (All figures are ovals.)
- 6 K (Each figure contains two circles and two parallel lines that are turned up only.)
- 7 C (All figures are squares with the same diagonal stripes.)
- 8 J (Each figure is a square that is divided into equal parts.)
